

July 23, 2007

Request for the provision of documents (information), necessary for the carrying out of the audit of the St. Petersburg based civic organization Environmental Rights Center “Bellona”

In compliance with the order issued by the St. Petersburg and Leningrad region Federal Registration Service Administration on June 19, 2007 № 1-2490RN, the audit subject is required on July 24, 2007 to present the following documents and/or their authenticated copies to S.H. Zharkoy, specialist-expert at the Non-Profit Organization Activities Control Department of the St. Petersburg and Leningrad region Federal Registration Service Administration, who is the person authorized to carry out the audit.

- a list of the organization’s activities between July 2, 2004 and July 1, 2007, with information on where and when the activities have taken place, the projects and contracts that provided the framework for the activities, and also materials on the realization of the activities, including invitations and lists of participants in the activities;
- Annex № 1 to contract № 1/2007;
- Annex A to agreement № 2006-390.0;
- Annex to the contract from December 9, 2005 № 1/2006;
- Annex A to agreement № 2005-349.0;
- Annex A to agreement № 2004-195.0;
- A written explanation of the legal base to the realization of the program Matra/KAP on the territory of the Russian Federation;
- A written explanation explaining through which programs the audit subject has realized one of the goals included in its Statutes: education of youth in the spirit of respect for human rights and care for the environment.

Failure of the audit subject to present the documents (information) and/or authenticated copies of documents specified in this request, which are necessary for the carrying out of the audit, in their full extent and in the period specified by the person authorized to carry out the audit without valid reason will be considered an interference with the carrying out of the audit.

Specialist-expert of the Non-Profit Organization Activities Control Department
